

Questions to ask my doctor

about my CAD risk factors

Please print this page and discuss the following with your doctor during your next office visit.

Questions	Doctor response
<p>If you smoke: What resources and tools do you have that could help me quit smoking?</p>	
<p>What types of exercise would you recommend for me to help prevent heart attack and stroke?</p>	
<p>What diet changes should I make to help prevent heart attack and stroke? Should I work with a nutritionist?</p>
